

SCHEDULE A-4 -- WATER POLLUTION CONTROL EQUIPMENT

State Form 47336 (11-95)

INSTRUCTIONS:

1. Forward a copy of this exemption claim to the Indiana Department of Environmental Management by registered or certified mail (IC 6-1.1-10-10).
2. Report below all personal property employed predominately in the operation of an industrial water treatment system for elimination of water pollution caused by industrial wastes. The property must be approved by the IDEM to qualify for the exemption.
3. Attach additional schedules if necessary.
